

KerrHawe

MATERIAL SAFETY DATA SHEET

in accordance with communitary directive 2001/58/EC

Section I - Identification of Product and Company

Trade Product Name: Superpolish	Preparation/Revision Date: 07/03
---	--

Company Name: KerrHawe S.A.	Emergency phone: +41 - 91-61.00.639
Company Address: Zona Strecce – 6934 Bioggio (Switzerland)	Information phone: 00-800-41-050-505

Section II - Composition/Information on Ingredients

HAZARDOUS INGREDIENTS	%	SYMBOL	R	CAS N.	EINECS N.
Methylparaben	0,1	Xi	36/37/38	99-76-3	202-785-7
Menthol	0,5	Xi	37/38-41	2216-51-5	218-690-9
Bentonite	2-3	Xi	36/37/38	1302-78-9	215-108-5

Section III - Hazards Identification

HAZARD CLASSIFICATION	None
-----------------------	------

Section IV - First Aid Measures

Treatment for eye contact: Flush with plenty of water for at least 15 minutes.
Treatment for skin contact: Wash with water.
Treatment for inhalation (breathing): Inhalation of this product in paste form is unlikely to occur.
Treatment for ingestion (swallowing): For ingestion of large amounts of material, dilute with water.

Section V - Firefighting Measures

Suitable extinguishing media: Water stream.
Forbidden extinguishing media: Unknown.
Special fire fighting measures: Not applicable.
Unusual fire and explosion hazards: Does not occur.
Special protection equipment: Not applicable.

Section VI - Accidental Release Measures

Personal Precautions: None.
Environmental Precautions: None.
Reclaiming Methods: Pick up mechanically and wash with water surface on which the material is spilled.

Section VII - Handling and Storage

Handling Precautions: None required.
Precautions in case of Fire and Explosion: Product is not flammable.
Storage Conditions: Keep at ambient temperature in the original containers closed.
Suggested container(s): The original containers provided by manufacturer.
Indication for Combined Storage: None.
Other Precautions: Use according to directions.

Section VIII - Exposure controls/personal protection

Precautionary Measures	<u>Ventilation</u> Local Exhaust Ventilation: None required. Special Ventilation: None. Mechanical (General) Ventilation: None. Other Ventilation: None.
Limits	The quantity of menthol is negligible
Respiratory Protection	None
Hands Protection	None
Eyes Protection	Not necessary
Skin Protection	Handle in accordance with good personal hygiene practices.
Other Protective Equipments:	None

Section IX - Physical and Chemical Properties

Boiling Point: Not applicable	Melting Point: Not applicable
Vapor Pressure: Not applicable	Specific Gravity: 1,45 g/ml
Evaporation n Rate (n-butane=1): Not applicable	Vapor Density (air=1): Not applicable
Solubility in Water: Partial	
Appearance and Odor (Physical Form): Pink paste with peppermint odor.	
Flash Point: Not applicable (N/A)	Upper explosivity limit: N/A
	Lower explosivity limit: N/A

Section X - Stability and Reactivity

Stability: Stable.
Conditions to avoid: Unknown.
Incompatibility (Materials to Avoid): Unknown.
Hazardous Decomposition Products: Unknown.
Hazardous Polymerization Products: Does not occur.

Section XI - Toxicological Information

Carcinogenic\Teratogenic: No.
<p align="center"><u>Effects and Hazards of Overexposure (Acute and Chronic)</u></p> <p>Effects and Hazards of Skin Contact: May cause a mild irritation for mechanical friction.</p> <p>Effects and Hazards of Eye Contact: May cause irritation.</p> <p>Effects and Hazards of Inhalation (Breathing): Prolonged or repeated exposure to the material may cause a mild irritation to the throat and respiratory tract.</p> <p>Effects and Hazards of Ingestion (Swallowing): Large amounts of material may cause a mild irritation to the throat.</p> <p>Effects for Prolonged Exposure: Unknown.</p>

Section XII - Ecological Information

There is no specific information on the product. Use according to good working practices, avoiding release of the product into environment.

Section XIII - Disposal Considerations

Pick up mechanically and wash with water surface on which the material is spilled. Small quantities of material may be disposed of in urban waste, accordingly to local regulations

Section XIV - Transport Information

SEA TRANSPORTATION									
IMCO Number		Not applicable							
UN Number		Not applicable							
Substance(s) determining hazard		Not applicable							
AIR TRANSPORTATION									
ICAO/IATA Class		Not applicable							
Substance(s) determining hazard		Not applicable							
TRANSPORTATION BY ROAD/RAILWAY									
<u>RID/ADR</u>	N/A	Item	N/A	Hazard Identification	N/A	Substance Identification	N/A	<u>Hazard</u>	N/A
Class		Number		Number		Number		Label	

Section XV - Regulatory Information

CLASSIFICATION IN ACCORDANCE WITH EEC DIRECTIVES	
HAZARD IDENTIFICATION SYMBOL	None
R Sentences	
None	
S Sentences	
26	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
Ingredients determining the label	None

Section XVI - Other Information

None

CAUTION: PRODUCT FOR PROFESSIONAL USE

The information on this Safety Sheet is based on presently available data and to our best knowledge for the correct handling of the product under normal conditions. Any use of this product in any way not indicated on this Sheet or the use of this product together with any other process/procedure will be exclusively under the user's responsibility.
